## First Annual Gathering Takes Shape

After much discussion and deliberation, plans are in place for the first ever Onaway alumni gathering. Board members asked people what kind of a gathering would be best, and most simply said they wanted to meet with old friends and have a chance to talk with them.

As a result (and due to the generosity of Tom Moran), there will be a large tent on the old Metropole Hotel site. Inside you'll find light refreshments and the chance to connect with others. There will be a message center where notes can be posted to let people know who is in the area, and chairs so you can relax and see who shows up that you know.

Classes are encouraged to bring poster-type displays (see p. 2) so that those who attend can stroll down memory lane with family and friends.

The tent will be staffed from

1:00 to 6:00 pm on both Wednesday, the 4th, and Saturday, the 7th. Those without OASAA memberships may buy a pass at the door for \$10.00. Non-alum spouses will be admitted free.

Stop in and see who's around!

### OAS Trivia:

1. How many OAS attendees are currently employed full time at the school?
2. Name the four streets that surround the building pictured above.
3. What was the last class to graduate from the building above?

*Don't forget to let your friends who are Onaway alums know about us!*

*Anyone who attended Onaway Area Schools is eligible for membership.*
