GETTING DOWN TO BUSINESS

After the fun of the Fourth was over, OASAA held its first general membership meeting on Saturday, July 7th. The agenda was short, but provided the opportunity for the board to share its goals with members and members to ask questions as well. The board would like to expand its membership from nine to at least twelve. If you know someone who would make a good, active board member (candidates must be alumni who are within 50 miles of Oway at least 9 months of the year), please let us know or give that person a nudge.

In addition, we need help with the newsletter. Peg is willing to collect and/or write the articles but would like help with printing and mailing. It requires some basic computer skills and the time to work with her once every three months for an afternoon or evening. If you can do that, please contact us.

SPOTLIGHT: CLASS OF 1997

Ten years gone! The class of 1997 was a creative group, a fun-loving bunch, and a close-knit assembly as they passed through the halls of OHS. They did everything with style, and their influence is still felt in the town and in the school. A few memories:

- *Drama Productions: *The Wizard of Oz*, one of the most popular ever, and *If These Walls Could Talk*, where Rob Carter stole the show as Scooby.
- *A great trip to Chicago.
- *A super band number: "Madagascar"
- *SC President was Ryan Swett.
- *Class pres. was Marty Mix; VP Kerrie Petersen, and S/T Suzy Webster.
- *Yearbook editor was Kathryn Doran with assistant eds. Amber Thompson & Nicki Northrop.
- *Exchange Students were Mathias Frommer (Germany); Rika Sakakibara (Japan) and Maria Lopez (Uruguay).
- *Cards' Fan of the Year-Teresa George.
- *Fall Homecoming King & Queen were Jackie Lyon & Marty Mix.
- *Winter Homecoming King and Queen were Ryan Swett & Tricia Schell.
- *Advisers-Peg Herring & Vickie Lyon.
- ***There were 50 members present for this class' ten-year reunion!**
