Luis Solano & Family  
Foreign Exchange Student -1978  
Host parents: Bob & Judy Decker

## Spotlight Person

We received this message from Luis Solano, a former exchange student. Several former exchange students are members of OASAA. It's a great way for them to keep in contact from far, far away.

Luis writes:

"Many years have passed (30 to be exact). I was a Foreign Exchange Student during 1978, and those memories still very fresh. I had a great group of friends, Fred Dempsey, Bob Merrick, Kevin Hyde, and many others.

I gladly participated in Baseball, Basketball, Football and Volleyball. I have kept in touch with my host family (Mom & Dad) Bob and Judith Decker with a few calls now and them, unfortunately not as much as I wished. I always invite them to come down but were never able to set it up. I went back a few times and they were able to meet my wife and kids.

I just had two great pleasures that remember me back home:

1) A niece just graduated from High School, I just received her Graduation Invitation "Chelsea Enos, Class 08". My daughter who also play with her when little girl also just graduated here at Panama where we live. She went to "Saint Mary's School."

2) My son Octavio (15th) started playing Football and has become, like me, the kicker of the team and also has made some impressive kicks and has a record of ZERO missed on a field goal or extra point.

Finally, I just have to add that I am very happy to find a way to reach some friends through this media, and maybe my brother and sisters (Mike Decker, Mary Jo Taylor, Michelle Enos), so here you have my reaching information: Email: [solanoluis1960@yahoo.com](mailto:solanoluis1960@yahoo.com)
